

## **2012 RiverRun Results**

The 39th and final Kiwanis RiverRun Canoe and Kayak race was held Saturday, April 28. In spite of terrible weather forecasts (most of which thankfully never occurred). 101 stout-hearted paddlers turned out for the final event down the Pewaukee and Fox Rivers. River conditions were excellent enabling paddlers to achieve respectable times. Thanks to all paddlers for supporting a great event!
